

## Keeping you updated...

Our Product Focus Newsletter will keep Biometrix customers exposed to new products we have to offer, in addition to our current extensive line. Our goal is to increase your awareness of our broad range of products in Critical Care, Operating Rooms and Interventional Cardiology.

## INFU-LINE

## Luer Activated Manifolds

Biometrix is pleased to announce its new **Luer Activated Manifolds**. The new **high flow** manifolds provide high quality and precision design to support fluid and medication administration.

### Features and Benefits

- The unique design enables flushing of all connections at once
- All needle-free luerlock connections
- Ergonomic handle with smooth rotation
- Available in 2, 3 and 4 ports
